

## **Joint Event: Ports Australia and PIANC ANZ Northern Chapter**

### ***Engineering and Asset Management Working Group***

**17-19 October 2022**

**Darwin Innovation Hub, Level 1/48-50 Smith St, Darwin**

Darwin plays a key role in building capacity for Northern Australia's economic expansion and supporting the growth of numerous export industry sectors through the strategic development of waterborne infrastructure and services. Given that, Ports Australia and PIANC ANZ Northern Chapter have planned a joint event in Darwin from Monday 17 to Wednesday 19 October to provide a suitable platform for port and waterfront infrastructure leaders and professionals to come together, exchange the latest knowledge, and share their experiences and lessons learnt while considering the current and future development of the maritime infrastructure in this strategic region.

### **Program**

The program contains social networking dinner, port tour and presentations related to following topics

- Updates on standards and guidelines
- Port infrastructure projects and challenges
- Asset management
- Smart Port / Digitisation

A detailed program will be circulated to the attendees prior to the event.
