

PIANC Student / Industry Event & Networking

PIANC (World Association for Waterborne Transport Infrastructure) has organised a unique opportunity for industry to connect with students and learn about the latest PhD & Masters research through a series of three-minute presentations.

Join us in promoting the vast array of opportunities within the ports and maritime sectors in WA and worldwide.

Opportunity to meet students for future work placements!

UWA Indian Ocean Marine Research Centre

Tuesday 21st March 5.00 – 7.30pm

The University of Western Australia, 54 Fairway, Crawley WA

<https://PIANCWASStudentResearch.eventbrite.com.au>

Free entrance for attendees from all companies, schools and universities. After hearing about the latest research there will be an opportunity for networking and career sharing.

Companies wishing to bring promotional material to our mini-careers fair must RSVP at Eventbrite or contact YPCChair@pianc.org.au for more information.
